

## Polymer Roofs for 30° Double Hung Andersen® Windows

The use of these roofs avoids custom roof construction or plywood kits, saves time and money and results in an attractive maintenance free roof. Here is a list of polymer roofs and the 30°DH windows they will fit. Roofs listed here are available in White or Coppertone ABS. Other sizes available. See attached specification sheet for sizes of roofs to make sure that they will fit your application.

White ABS Bay Roof

30° Roof shown on bay window. See price sheet for cost.
